RE: Petition for exemption of closed captioning requirements due to undue burden

We are filing for this exemption because we have no money to pay for closed captioning. Our show is produced by a group of volunteers at a cable access facility. It is our goal to help creative people get their art out to the world with this project. The Taekwondo Show currently has no more continuing sponsors and we need this exemption.

We understand the importance of closed captioning and hope to find future sponsors to help pay for it. Thank you for your understanding.

Sincerely,

Bob Lemire
Executive Producer

This show is on NBC universal Sports Boston.
